

# Tatted Edge for Lace Curtain

## Side Panels

### Key-

**Set up= Crochet** - chain 5. Make 3, chain 5, slip stitch into knitted edge to YO closest to the center diamond. Make 3 chain loops up to top of diamond, slip st into tips of diamond. Make 3 ch 5 loops down opposite side, slip stitching nearest YO to center of diamond. Next, make 2 ch 5 loops, securing last one to main knitted just to the right of the 3 stitch border. Work 3 ch 5 loops to the base of the next diamond, then 3 up to the top of the diamond, ending in the center of the peak. Cont working in this manner to inside edge of the side panel.

### Tatted Edge with beads

Chains= 9 without beads; 4/4 with 3b

Rings = 4/4
